## INDEPENDENT AUDITOR'S REPORT

To the Members of Carbo-Ceramics Limited

### Report on the Ind AS Financial Statements

#### Opinion

We have audited the accompanying Ind AS financial statements of Carbo-Ceramics Limited (*"the Company"*) which comprises the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

##### Basis for Qualified Opinion

The compensation for Zemindary Rights etc. acquired by Bangladesh Government and Bihar and West Bengal State Governments has been estimated at Rs. 37.24 lakhs. In the absence of adequate information, we are unable to form an opinion as to the realisability of the same. We are also unable to form an opinion as to the realisability of cash and bank balances of Rs. 2.58 lakhs in Bangladesh and discharge of liabilities of Rs. 0.02 lakhs in Bangladesh and also the amounts that may prove to be irrecoverable out of doubtful outstanding rents of Rs. 9.09 lakhs not provided for included under trade receivables to be collected by State Government of West Bengal and Bangladesh Government and doubtful advances in Bangladesh.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters.

#### Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors report, but does not include the Ind AS financial statements and our auditor's report thereon. Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Responsibilities of Management and those charged with governance for the Ind AS financial statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, change in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) and accounting principles generally accepted in India, specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

**Auditor's Responsibilities for the Audit of Ind AS Financial Statement**

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure A** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) The matter described in the Basis for Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the company.

- f) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
- h) With respect to the adequacy of the Internal Financial Control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations as on 31<sup>st</sup> March, 2021, on its financial position in its financial statements as detailed in Note 27 to the financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

**"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT ON THE IND AS FINANCIAL STATEMENTS OF CARBO-CERAMICS LIMITED****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Carbo-Ceramics Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

**Notes to financial statements for the year ended 31st March, 2021****1 Company's Background**

Carbo-Ceramics Limited (the 'Company') is limited by shares, incorporated and domiciled in India. The equity shares of the Company are listed on the Calcutta Stock Exchange in the India. The registered office of the Company is located at 31, Chowringhee Road, Kolkata - 700 016, West Bengal, India.  
The Company is mainly engaged in the business of Land and land properties.

The Financial Statements were approved and authorised for issue in accordance with the resolution of the Company's Board of Directors on 30th June, 2021.

**2 Significant Accounting Policies**

This Note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

**(a) Basis of Preparation****(i) Compliance with Ind AS**

The financial statements comply in all material respects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the 'Act') [Companies (Accounting Standard) Rules, 2015] and other relevant provisions of the Act.

**(ii) Historical Cost Convention**

The Company's financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that is measured at fair value.

**(iii) Current versus Non-current Classification.**

The Company has classified all its assets / liabilities into current / non-current based on the time frame of 12 months from the date of financial statements. Accordingly, assets / liabilities expected to be realised / settled within 12 months from the date of financial statements are classified as current and other assets / liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current.

**(iv) Rounding off**

All amounts disclosed in these financial statements and notes have been rounded-off to lakhs upto two decimals (Rs.'00000) as per requirement of Schedule III, unless otherwise stated.

**(b) Revenue Recognition**

Revenue is measured at the fair value of the consideration received or receivable. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for the Company's activities.

**(c) Property, Plant and Equipment**

Freehold land is carried at historical cost. Buildings are stated at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

**Notes to financial statements for the year ended 31st March, 2021****Transition to Ind AS**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

**Depreciation methods, estimated useful lives and residual value**

Depreciation is calculated using the written-down value method to allocate their cost, net of their estimated residual values, over their estimated useful lives in accordance with Schedule II to the Act.

Estimated useful lives of the assets (years) are as follows:

**Buildings - 60 Years**

The useful lives, residual values and method of depreciation of buildings are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other income.

**(d) Impairment of Non-financial Assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

**(e) Inventories**

Stock-in-trade is valued at cost or net realisable value whichever is lower.

**(f) Investments and Other Financial Assets****(i) Classification**

The Company classifies its financial assets in the following measurement categories:

- '- those to be measured subsequently at fair value [either through other comprehensive income (OCI) or through profit or loss], and
- '- those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

**(ii) Measurement**

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

## Notes to financial statements for the year ended 31st March, 2021

**Debt instruments**

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income.
- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other income in the period in which it arises.

**Equity instruments**

The Company subsequently measures all equity investments at fair value (where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss). Changes in the fair value of financial assets at fair value through profit or loss are recognised in 'Other Income' in the Statement of Profit and Loss.

**(iii) Impairment of Financial Assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 34 details how the Company determines whether there has been a significant increase in credit risk.

**(iv) Derecognition of Financial Assets**

A financial asset is derecognised only when

'-The Company has transferred the rights to receive cash flows from the financial asset or

'-retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

**(v) Income Recognition**

Interest income is recognised in the Statement of Profit and Loss using the effective interest method. Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

**Notes to financial statements for the year ended 31st March, 2021****(vi) Fair Value of Financial Instruments**

In determining the fair value of financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis and available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may never actually be realised.

**(g) Offsetting Financial Instruments**

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously

**(h) Trade Receivables**

Trade receivables are amounts due from customers for goods sold or services rendered in the ordinary course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

**(i) Cash and Cash Equivalents**

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**(j) Trade Payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

**(k) Income Tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences, unused tax credits and unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax-credits and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences, tax-credits and losses.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

**Notes to financial statements for the year ended 31st March, 2021**

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity, if any. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

**(l) Provisions and Contingencies**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of the amount cannot be made.

**(m) Earnings per Share****(i) Basic Earnings per Share**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year

**(ii) Diluted Earnings per Share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**(n) Segment Reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

**3 Critical Estimates and Judgements**

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed at each Balance Sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

This Note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

**Notes to financial statements for the year ended 31st March, 2021****The areas involving critical estimates or judgements are:****'- Estimation of expected useful lives and residual values of property, plant and equipment**

Property, plant and equipment are depreciated at historical cost using a written down value method based on the estimated useful life, taken into account any residual value. The asset's residual value and useful life are based on the Company's best estimates and reviewed, and adjusted if required, at each Balance Sheet date.

**'- Contingencies**

Legal proceedings covering a range of matters are pending against the Company. Due to the uncertainty inherent in such matters, it is often difficult to predict the final outcome. The cases and claims against the Company often raise difficult and complex factual and legal issues that are subject to many uncertainties and complexities, including but not limited to the facts and circumstances of each particular case and claim, the jurisdiction and the differences in applicable law. In the normal course of business, the Company consults with legal counsel and certain other experts on matters related to litigations. The Company accrues a liability when it is determined that an adverse outcome is probable and the amount of the loss can be reasonably estimated. In the event an adverse outcome is possible or an estimate is not determinable, the matter is disclosed.

**'- Valuation of Deferred Tax Assets and Liabilities**

Deferred income tax expense is calculated based on the differences between the carrying value of assets and liabilities for financial reporting purposes and their respective tax bases that are considered temporary in nature. Valuation of deferred tax assets is dependent on management's assessment of future recoverability of the deferred tax benefit. Expected recoverability may result from expected taxable income in the future, planned transactions or planned optimising measures. Economic conditions may change and lead to a different conclusion regarding recoverability.

**'- Fair Value Measurements**

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in the notes to the financial statements.

**Nature and purpose of each Reserve****(i) Capital Reserve**

There was a practice in earlier years to create Capital Reserve by crediting the gain on sale of any Capital asset to absorb any subsequent capital loss. This Reserve had been created in earlier years in adherence to the said accounting principals and practice.

## Notes to financial statements for the year ended 31st March, 2021

(ii) **General Reserve**

This reserve arose upon transfer from Investment Allowance Reserve during the financial year 2016-17. Declaration of dividend out of such reserve shall not be made except in accordance with rules prescribed in this behalf under the Companies Act, 2013.

(iii) **Retained Earnings**

Retained earnings represents the cumulative profits of the Company and can be utilized in accordance with the provisions of the Companies Act, 2013.

(iv) **Other Comprehensive Income**

This represents the cumulative gains and losses arising on the revaluation of financial instruments measured at fair value through other comprehensive income, under an irrevocable option, net of amounts reclassified to retained earnings when such assets are disposed off, if any.

## (ii) Fair Value

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- The management assessed that fair values of loans, trade receivables, cash and cash equivalents, other bank balances, other financial assets (current), trade payables and other financial liabilities (current) approximate their carrying amounts largely due to the short-term maturities of these instruments.
- In respect of investments in mutual funds, the fair values represent net asset value as stated by the issuers of these mutual fund units in the published statements. Net asset values represent the price at which the issuer will issue further units in the mutual fund and the price at which issuers will redeem such units from the investors. Accordingly, such net asset values are analogous to fair market value with respect to these investments, as transactions of these mutual funds are carried out at such prices between investors and the issuers of these units of mutual funds.

## (iii) Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

**Notes to financial statements for the year ended 31st March, 2021**

An explanation of each level follows below.

**Level 1:** quoted (unadjusted) prices in active markets for identical assets or liabilities.

**Level 2:** other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

**Level 3:** techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

- (i) The management assessed that fair value of cash and cash equivalents, trade receivables, trade payables, and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- (ii) Financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.
- (iii) The fair values of the equity investment which are quoted, are derived from quoted market prices in active markets. The Investments measured at fair value and falling under fair value hierarchy Level 3 are valued on the basis of valuation reports provided by external valuers with the exception of certain investments, where cost/ break-up value has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost/ break-up value represents the best estimate of fair values within that range.
- (iv) The fair value of the financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.
- (v) There have been no transfers between Level 1 and Level 2 for the years ended March 31, 2021 and March 31, 2020.

**Notes to financial statements for the year ended 31st March, 2021****31 Financial risk management**

The Company's activities expose it to credit risk, liquidity risk and market risk. The Company's senior management oversees the management of above risks. The senior executives working to manage the financial risks are accountable to the Audit Committee and the Board of Directors. This process provides assurance to the Company's senior management that the Company's financial risks-taking activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and the Company's risk appetite.

**a) Credit Risk**

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The Company is exposed to credit risk from its investing activities (primarily deposits with banks and investments in Mutual Funds).

**b) Liquidity Risk**

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and maintains adequate sources of financing.

**Maturities of financial liabilities**

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

<b>Contractual maturities of financial liabilities</b>	(Rupees in Lakhs)

<b>Total</b>	<b>0.46</b>	<b>0.46</b>

**c) Market risk****Securities Price risk**

Securities price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded prices.

The Company invests its surplus funds in various debt instruments. These comprise of mainly liquid schemes of mutual funds, short term debt funds & income funds and fixed deposits. To manage its price risk arising from investments in mutual funds, the Company diversifies its portfolio. Mutual fund investments are susceptible to market price risk, mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments.

**Notes to financial statements for the year ended 31st March, 2021**

Fixed deposits are held with highly rated banks and have a short tenure and are not subject to interest rate volatility.

The Company is not an active investor in equity markets; it continues to hold certain investments in equity for long term value accretion which are accordingly measured at fair value through Other Comprehensive Income. The value of investments are disclosed in Note 5. Accordingly, fair value fluctuations arising from market volatility is recognised in Other Comprehensive Income.

**(i) Securities Price Risk Exposure**

The Company's exposure to securities price risk arises from investments in mutual funds held by the Company and classified in the Balance Sheet as fair value through profit or loss / OCI.

**(ii) Sensitivity**

The sensitivity of changes in interest rates / Net Assets Values (NAVs) as at year end on investments:

	(Rupees in Lakhs)	
	Year ended 31-03-2021	Year ended 31-03-2020
Impact of changes on Total OCI - Increase by 1%*	22.29	7.27
Impact of changes on Total OCI - Decrease by 1%*	(22.29)	(7.27)

\* Holding all other variables constant

32 There are no amounts due/overdue to micro and small enterprises to the extent these have been identified from the available information.

33 The operations of the Company were affected during the year due to sluggish financial markets and banking operations under the impact of the nation-wide lockdown declared by the Government on 24th March, 2020 to combat spread of COVID-19 pandemic. The operations have commenced in a phased manner since May 2020 in due adherence of the applicable guidelines / permissions of concerned authorities. As per the management's assessment, no material impact is expected due to COVID-19 on the carrying values of assets and liabilities as at the year ended 31st March 2021.

Management believes that it has taken into account all the possible impact of known events arising from COVID 19 pandemic in the preparation of the standalone financial results. However, the impact of assessment of COVID 19 is a continuous process given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions. However, in the prevailing circumstances, the Company does not expect any impact of COVID 19 on its ability to continue as a going concern.

34 Previous year's figures have been re-grouped / re-arranged wherever necessary.
